### **Our Quality Policy**

*We pride ourselves in giving our customers the finest quality service. We are dedicated to constantly improve the effectiveness of our Quality Management System that fits under our Business Management System (BMS). In order to achieve this level of quality we are all committed to values and rules of ISO 9001:2015.*

### **Our Quality Objective**

- To Maintain a Quality Management System, complying with the Standard ISO 9001:2015.
- To achieve and maintain zero to minimum returns of a non-conforming services from our customers (After Delivery).
- Continuous reduction with Internal non-conformance (Outputs).
